Costume fees have been added to your DSP account. Congratulations to many of our dancers who were able to completely offset their costume fees through their fundraising efforts.

Fundraising credits have also been added to your DSP account. You will see the combined amount from Little Caesars and Make it Sow listed as FUNCRED on your statement.

Payment is due no later than April 30<sup>th</sup> for your costumes.

After the final performance, your dancer will be permitted to take their costume(s) home.

With only 14 weeks until the show it is important that dancers are attending every class.

Choreography is being added and perfected as we lead up to the recital.

If your dancer is injured and unable to dance, we ask that they still attend class so they can watch/learn the choreography to their routine.

If your dancer is sick please keep them home.
