The last few years have been tough in many ways for organized sports, but our teachers and volunteer executive have demonstrated amazing dedication to the art of dance, and have continued to provide access for our students in order to sustain our studio through the hard times.

Minto Dance Academy has an **AMAZING** volunteer executive team that have made these last few years possible. Amy, Cheryl, Janelle, Krista, Laura & Lisa D - I would like to take a moment to thank each of you for your commitment, hard work and long hours put in throughout the season to keep our studio running smoothly and most importantly keep our dancers dancing.

I would also like to take a moment to thank our **WONDERFUL** teachers. They have such a passion for dance and it shows every day. Ms. Abby, Ms. Karen and Ms. Melanie, despite all the challenges faced these last few years you have shown up and inspired our dancers to do their very best and be the very best they can.

Next, I would like to thank all the parents and guardians for helping their little dancers navigate online dancing, getting dancers to class on time and encouraging them to keep dancing. Your support of their dance and MDA means a lot to all us.

Finally, I would like to thank all our dancers. You are **AWESOME!** You are the reason we do what we do and your smiles make it worth it. You should be proud of your growth and achievements this year. We cannot wait to see what you will accomplish next year.

Happy Summer, Happy Dancing,

Lisa Booth | President
